## New KosherTorah.com Classes w/HaRav Ariel Bar Tzadok

### Starting Immediately

I have decided to offer and begin the following new classes immediately starting next week, Monday April 12th, 2010.

From now on all online classes will be of 45-50 minute duration and the live classes will be offered back-to-back on Mondays, Tuesdays and Thursdays, starting at 1 p.m. PDT and lasting through 3 p.m. PDT.

This will be our new schedule:

**Monday, 1 p.m.** - conclusion of the Hilkhot Malakhim course. The course will conclude after one or two more lessons. In its place will be offered **THE GATEWAY TO KABBALAH AND ITS WAYS**, a short text attributed to the RaMBaN. This short course will cover more about the Ten Sefirot and will be the continuation of the present **EXPLANATION OF THE TEN SEFIROT** course offered on Thursdays. This short course will be followed by **THE SECRET OF THE BOND**, another classical Kabbalah text teaching about the Sefirot. With this course we will have three comprehensive courses of the topic of the Sefirot and that will suffice. Class fee will be \$75.00 per month (of 4 classes) for non Club member students (please see Club membership details below).

**Monday, 2 p.m.** Starting now: **THE HALAKHA AND KABBALAH OF THE SHEMONEI ESREI**. I will finally do it! I will teach the Amidah prayer from both the Shulchan Arukh and the Kavanot system of the Ari'zal/Rashash. We will review the laws and discover the meditative intent and then we will proceed section by section to reveal the secrets contained in this most sublime and foundation prayer. This class is open to all students, however knowledge of traditional prayer and Hebrew is necessary. Class fee will be \$75.00 per month (of 4 classes) for non Club member students (please see Club membership details below).

**Tuesday, 1 p.m.** **TIKUENI ZOHAR, TIKUN 69**, this is one of the deepest sections of all Zoharic literature and is rarely taught anywhere, by anyone. This is to my knowledge the first time this material will be covered with English commentary. Text will be read in the original/Hebrew and will usually not be translated. This class is for Benei Torah will knowledge of Hebrew. Class fee will be \$125.00 per month (of 4 classes) for non Club member students (please see Club membership details below).

**Tuesday 2 p.m. THE ETZ HAYIM, SECTION 7 of RABBI HAYIM VITAL.** We will cover the entire last section of the famous ETZ HAYIM and cover the realms of the worlds beneath Atzilut. Again, this class is for Benei Torah will knowledge in Hebrew. Class fee will be \$125.00 per month (of 4 classes) for non Club member students (please see Club membership details below).

**Thursday, 1 p.m. WEEKLY TORAH PORTION from the MASTERS OF THE KABBALAH.** I will cover the week's parasha from the classical commentaries; SEFER TZIUNI, RABBEYNU BAHYA and other Sephardic and Hasidic masters. This will be a parasha class unlike any you have taken in the past. This class will translate all materials and is open tom all students. Class fee will be \$60.00 per month (of 4 classes) for non Club member students (please see Club membership details below).

**Thursday 2 p.m. STUDIES IN THE PROPHECIES OF ISAIAH,** starting where I left off in an older series, we will studying the final ten chapters of ISAIAH and then proceed to study **EZEKIEL**. This class will be offered in English and is open to all students. Benei Torah and Benei Noah both will equally benefit from these classes. Class fee will be \$60.00 per month (of 4 classes) for non Club member students (please see Club membership details below).

## Tuition Information and the KosherTorah NER and YABOK Clubs

Students wishing to register for single classes may do so at the tuition rate stated above. The tuition rate is rated on a monthly basis and students may enter or drop out of monthly classes as they please. However, any classes missed will not be able to be made up unless tuition for them is paid in full.

For those who want to take more than one class, the following club options may be of interest.

1. **The NER Club.** NER, the Hebrew word for light is numerically equal to 250. Those who donate \$250.00 per month to KosherTorah.com on a regular annual basis are granted access to all KosherTorah weekly courses (unless otherwise stated). At present this amount to over a 50% savings for students wishing to study our full curriculum. This is the best deal I have to offer. For NER Club students, they have access to all live classes, video recordings and special MP3 audio recordings of the lessons covered under their membership.

2. **The YABOK Club.** YABOK, is the Name of the Biblical river. Its numerical value is 112 the value of the union of the Names YKVK and Elokim. For those who donate \$112.00 per month on a regular annual basis, they are granted access to all non-Kabbalah KosherTorah.com classes. At present, these include the ones on Thursday

and the second course on Monday. At present this amounts to over a 40% savings from the regular tuition price. Students in the YABOK club will also have live access to the classes covered for them with equal full access to the videos and audios of the classes.

Club memberships must be made over the phone with me personally. I will take your information and set you up for automatic monthly donation payments. They are tax deductible.

So, here you have it. This is your opportunity to both support KosherTorah.com and yourselves. Come study with us! All are welcome.
